

**HAUSCHILD,
Clarence**

Clarence Hauschild, our favourite jolly old St. Nick has hung up his coat and hat one last time. Clarence passed away January 2, 2023 (77). He is survived

by his sister Mary Ann, and his children and grandchildren; Denise (Rob, Jesse, and April), Evelyn (Trevor), Keith, and Josi (Bryce, Anna, Reid).

Clarence grew up in Swift Current, lived in different towns and cities, owned property in Texas and Arizona, and had more adventures than most imagine. Whether announcing he bought a mobile home sight unseen in Texas, or that a road trip was in order, because he found a deal on a Japanese vehicle . . . in Ontario.

Clarence applied his renaissance skillset in many careers, but what was truly his calling came in the '90s. Always a big kid at heart, Clarence was a perfect fit as the Lawson Heights Mall Santa, from the real white beard, to the well-fitting red coat. He loved to make people smile, and true to his charitable nature he chose that mall because there was no charge for visits with Santa, and he could take the time to talk to the kids.

Clarence lost the true love of his life, his wife Carol, in 2017. They were kindred spirits, and we all hope they are reunited and on another great adventure together. Clarence will be missed.
