

**SATHER,
Luella Anne
(Leggott)**

Luella Anne Sather, our loving mother and wife passed away quietly at home in the arms of her husband in the early hours of January 22, 2019 at the age of 76. Her family will have deep and fond memories of her, this includes her husband Donald Ordean Sather and their four

children: Donnalu (Richard), Denean (Sherdan), Robert and Ryan (Susanna) and 10 grandchildren: Taylor, Paige, Junior, Jade, Skye, Ashley, Dexander, Ronan, Maxime and Liam.

Luella was the second oldest and the first to pass of five children to Harold and Grace Leggott of Lanigan Sask. Luella grew up on a farm just outside of Lanigan. Once she graduated from high school she moved to Saskatoon to attend Business College, thereafter she met and married her husband Donald. They raised their four children in Saskatoon. Luella was a stay-at-home Mom, she kept very busy as she chauffeured the kids to their many activities while managing the household. Donald and Luella were married for 52 years. In her spare time, she enjoyed knitting, crocheting, sewing, miniatures and singing in the church choir. She was a member of the Red Hat Society and the Bridge City Artists. Luella was a talented painter where everyone loved her wonderful hoarfrost paintings. Luella was known for her participation in two murals in Saskatchewan, the Saskatchewan/Alberta "Buffalo Twins" mural located in Lloydminster, Sask. and the designer and coordinator of the Saskatoon Centennial Mural. Luella made friends easily; friends and family enjoyed spending time with her as she was always willing to listen and give them support. She will also be remembered for her volunteer work at the Sherbrook Nursing Home. Luella enjoyed to laugh and to make others smile! She will always be remembered for dressing up and or performing, sometimes unannounced at a birthday party or anniversary as "Your Fairy Godmother" or "Elvis". She had a contagious laugh and a sense of humour that she wasn't afraid to share. She was always up for a silly joke or to share a funny story!

Special thank you to all who looked after mom and her care through the nurses, doctors, CPAS, Seniors First Program, home care and palliative care.

Mom we will miss your unconditional love and unwavering support! Love you forever . . . your family!

A celebration of life will be held in the spring.
